## RUSSIA AND JAPAN.

Frank R. Robertson to Give Illustrated Lecture on Subject.

Frank R. Robertson will give an illustrated lecture on Russia and Japan in the opera house Nov. 1, 1904. Of Russia you will see the grandeur of St. Petersburg, its palaces, parks, residence of the Czar, etc.; of Moscow you will glean an idea of its old architecture, its antiquity, and its history. Bits of Siberia, descriptions of men, women and peasantry. Of Japan, the flower garden of the world, the beauty of the kingdom will be beautifully portrayed. You will see the architecture, hear its history, and hear of its people.

You will hear a clear statement of the vital issues at stake in the present war. Russia is fighting for the accomplishment of what she regards as her imperial destiny, for her commerce, her prestige, and her standing as a great oriental power. Japan, on the other hand, is battling for something still more vital—for her existence as an independent nation.
